FLOR

del Montgó

D.O. YECLA

ORGANIC GROWN GRAPES

Flor del Montgó is a collection of wines focusing on the Spanish indigenous grape varieties from their historical appellations. Searching for only the best old vineyards with low yields and rich fruit, has resulted in four outstanding Spanish wines. Rediscover Spain in the hands of our winemakers.

Flor del Montgó Organic Monastrell is produced from one of the indigenous Spanish grape varieties from very old low yield vineyards grown in the Mediterranean Murcia region. The wine is also produced from 100% organic farmed grapes that are cultivated under strict control and regulations. The Flor del Montgó Organic Monastrell reveals layers of juicy raspberry, red cherry and cranberry flavors with graceful ease, and a silky texture. Environmental awareness amongst the consumers has created an increasing high demand for Organic grown food products; a demand that also include wines produced from organic farmed grapes. We feel that with this wine we have created an organic gem coming from the Alicante region giving the consumer a wine that they can enjoy and feel good about.

WINEMAKING KEY POINTS

Blend: 100% Monastrell

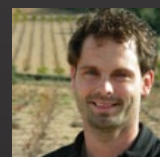

Average age of the vines : 30+ years old

Yield : < 25 hl/ha

Harvest : Handpicked

Winemaker : David Tofterup

Light filtration only. A sediment may form over time
