**OLD VINE
GARNACHA 2009**
CARINENA - SPAIN

The low yield on these vines create bold, dense color. But the palate is not heavy. It is graceful, actually, with aromas of raspberry and black peppercorn. This wine speaks for itself. Great for casual sipping or with beef or pasta.

GREAT VALUE!

**TEMPRANILLO
2009**

Castilla-La Mancha - Spain
Tempranillo often exhibits the profundity and aromas that we associate with Cabernet, like spice, tobacco, olive and herb. But unlike Cabernet, Tempranillo also has exuberant fruit. Perfect with most food!
