

## GRAVITY HILLS

The Sherpa Zinfandel \* 2010

"You can't blame gravity for falling in love."

What does wine have to do with love, or gravity? We're not quite what does whe have to do with love, or gravity! we re not quite Hills what does whe have to do with love, or gravity! we re not quite Hills when there's definitely a connection. We can say this: Gravity sure, but there's definitely a connection. sure, our mere s definitely a connection. we can say this: Gravity 1111

Zinfandel is about respect for gravity while daring to defy it anyway. It's a thumbs up to those who attempt to climb the summit, or fly from the summit, or just sit reverently in awe of the summit. or my from the summit, or Just sit reverently in awe of the summit.

Maybe it will inspire you to find your own mountain, whatever that

The flesh and blood Sherpa on the 2010 Gravity Hills Sherpa Zinfandel is Ine tiesn and blood Sherpa on the ZUIU Gravity fills Sherpa Zintande

Jamling Tenzing Norgay, son of Tenzing Norgay, in mild and France

France with Sin Falmind Hillow, Father mountain mild and France Jaming Tenzing Norgay, son of Tenzing Norgay, first man to Summit Tenzing Norgay, first man to Summit Tenzing Norgay, first man to Summit Norg Everest with our comuna rimary. ramer, mountain guide and Everest with our comuna rimary. ramer, mountain guide and Everest with our comuna rimary. ramer, mountain guide and Everest with our comuna rimary. ramer, mountain guide and Everest with our comuna rimary. ramer, mountain guide and Everest with our comuna rimary. ramer, mountain guide and Everest with our comuna rimary. ramer, mountain guide and Everest with our comuna rimary. ramer, mountain guide and Everest with our comuna rimary.

You might ask: what exactly is a Sherpa? We often hear the name

You might ask: what exactly is a Sherpa? We often hear the name associated with mountaineering in the Himalyas, but what is the history? The Sherpas are an ethnic enclave of approximately 35,000 Buddhists

The Sherpas are an ethnic enclave of approximately 30,000 Buddhists living in the kingom of Nepal. While the Sherpas have a centuries old living in the kingom of Nepal. While the Sherpas have a centuries-old living in the kingom of Nepal. While the Sherpas have a centuries-old window in the kingom of Nepal. While the Sherpas have a centuries-old living in the kingom of Nepal. While the Sherpas have a centuries-old history as farmers and agrarians, they are well-known today as unparticular history as farmers and agrarians, they are well-known today as unparticular history as farmers and agrarians, they are well-known today as unparticular history as farmers and agrarians, they are well-known today as unparticular history as farmers and agrarians, they are well-known today as unparticular history as farmers and agrarians, they are well-known today as unparticular history as farmers and agrarians, they are well-known today as unparticular history as farmers and agrarians, they are well-known today as unparticular history as farmers and agrarians, they are well-known today as unparticular history as farmers and agrarians, they are well-known today as unparticular history as farmers and agrarians, they are well-known today as unparticular history as farmers and agrarians. nistory as farmers and agrarians, they are well-known today as unparalle high-altitude guides for mountain expeditions. Some say this is a genetic high-altitude guides for mountain expeditions. nign-aintude guides for mountain expeditions. Some say this is a genetic adaptation to living at high altitudes. Needless to say the sherpa guides are adaptation to living at high altitudes. With a propensity many east adaptation to give a mountainears with a propensity many east adaptation to give a mountainears with a propensity many east adaptation to give a mountainears with a propensity many east adaptation to give a mountainears with a propensity many east adaptation to give a mountainears with a propensity many east adaptation. and reverent mountaineers, with a propensity many say, elite, swift and reverent mountaineers, with a propensity many say,

The 2010 Sherpa Zinfandel, honoring Sherpa Jamling Tenzing Norgay, is a tantastic wine, at an adventurous price, for people on the go.

It's a successful choice for mountain climbing, spelunking, scuba diving, subtractions or instabling.

However, if you want to sit in the back yard in a lawn chair and drink it, that'll do too.
